José Luis Méndez Martínez

Análisis de políticas públicas: Teoría y casos (Spanish Edition) José Luis Méndez Martínez
Tras 25 años de desarrollo, el campo de estudio de las políticas públicas ha ya alcanzado un importante desarrollo en México. Este libro reúne 14 textos que muestran buena parte del trabajo de investigación que el autor ha desarrollado en esta área a lo largo de los últimos 30 años, por lo que ofrece un buen mirador para observar la evolución de esta disciplina en nuestro país.
De esta obra es posible extraer tres conclusiones: las políticas públicas son procesos complejos e iterativos; se pueden explicar mejor si se toma en cuenta la interacción entre el contexto y los actores, y, en el caso de México, muestran la histórica debilidad institucional del Estado.
