La división del trabajo social (Spanish Edition)

Émile Durkheim

La división del trabajo social (Spanish Edition) Émile Durkheim

El sociólogo francés Émile Durkheim y su obra son de una importancia fundamental para la disciplina del conocimiento a la que el autor consagró su vida, pues junto con Karl Marx y Max Weber fue fundador de ésta.

En el caso específico de esta obra, su tesis para el doctorado que fue publicada en 1893, el autor trata de establecer, fundamentalmente, una ciencia de la moral. La importancia de esta obra también radica en que contiene los postulados fundamentales que su autor desarrollaría luego, más extensamente, en sus trabajos posteriores.

Durkheim concibe la división laboral como un fruto inevitable del proceso de complejización de la sociedad contemporánea y un proceso no restringido al campo de lo laboral, sino también presente en otras áreas de la actividad humana, como el sistema gubernamental, la literatura, la ciencia y el arte, entre otros, constituyendo en definitiva la división laboral una fuente de solidaridad establecida sobre la base de la recíproca dependencia y el consenso generalizado en torno a un sistema de reglas morales.
