Freeman Patterson

Photography of Natural Things: A Nature and Environment Workshop for Film and Digital Photography Freeman Patterson

The fourth edition now updated with many new photographs.

An easily understood book that provides as much inspiration as it does technical instructions.

--Toronto Sun

Photography of Natural Things is Freeman Patterson's internationally acclaimed instructional book on photography and visual design. From a moon over a winter landscape to a starfish in an intertidal pool, or a bird in flight, this essential guide demystifies the techniques of photographing nature.

The book is now updated to include technical guidelines adapted for both film and digital photographers. It features new photographs from Patterson's collection and extended captions that include valuable technical information and personal commentary from one of the world's most celebrated nature photographers.
