**The Sunne In Splendour: A Novel of Richard III** Sharon Kay Penman

**The classic, magnificent bestselling novel about Richard III, now in a special thirtieth anniversary edition with a new preface by the author**

In this triumphant combination of scholarship and storytelling, Sharon Kay Penman redeems Richard III—vilified as the bitter, twisted, scheming hunchback who murdered his nephews, the princes in the Tower—from his maligned place in history.

Born into the treacherous courts of fifteenth-century England, in the midst of what history has called The War of the Roses, Richard was raised in the shadow of his charismatic brother, King Edward IV. Loyal to his friends and passionately in love with the one woman who was denied him, Richard emerges as a gifted man far more sinned against than sinning.

With revisions throughout and a new author's preface discussing the astonishing discovery of Richard's remains five centuries after his death, Sharon Kay Penman's brilliant classic is more powerful and glorious than ever.
