Wolf Among Wolves

Hans Fallada

Wolf Among Wolves Hans Fallada

Wolf Among Wolves is a sprawling saga of the collapse of a culture--its economy and government--and the common man's struggle to survive it all. Set in Weimar Germany soon after Germany's catastrophic loss of World War I, the story follows a young gambler who loses all in Berlin, then flees the chaotic city, where worthless money and shortages are causing pandemonium. Once in the countryside, however, he finds a defeated German army that has deamped there to foment insurrection. Somehow, amidst it all, he finds romance--it's *The Year of Living Dangerously* in a European setting.

Fast-moving as a thriller, fascinating as the best historical fiction, and with lyrical prose that packs a powerful emotional punch, *Wolf Among Wolves* is the equal of Fallada's acclaimed *Every Man Dies Alone* as an immensely absorbing work of important literature.
