Cammino verso la libertà interiore (Italian Edition)

Marco Aurelio

Cammino verso la libertà interiore (Italian Edition) Marco Aurelio

Nell'opera "I ricordi" di Marco Aurelio emergono sopra tutto due pensieri ricorrenti: l'uomo e l'universo.

L'uomo riesce ad avere la visione chiara del senso della vita solo se, nel suo breve cammino sulla terra, opera con amore. La felicità e la saggezza risiedono nella mente dell'uomo dove opera la ragione, il pensiero e la parola.

L'universo viene da una natura intelligente che sa dove vuole arrivare. Ogni cosa, tutto l'esistente, intrecciato e concatenato nella sua unità, nel suo ordine, nel suo continuo ripetersi sempre uguale, nel suo avere un fine preciso non può venire dal caso. Solo una fonte intelligente, solo una Mente divina può tessere la trama del mondo e del suo divenire.

Tutti dovrebbero avere il grande privilegio di conoscere i principi etici, esistenziali, espressi dal filosofo.

Questa testimonianza, che resta intatta nonostante il fluire del tempo, ci consente intimamente di acquisire un immenso patrimonio di saggezza.

In questo libro, il pensiero di Marco Aurelio diventa accessibile a ogni persona, anche quelle meno dotate di una specifica cultura classica.
