## David Mitchell: Back Story David Mitchell

David Mitchell, who you may know for his inappropriate anger on every TV panel show except *Never Mind the Buzzcocks*, his look of permanent discomfort on C4 sex comedy *Peep Show*, his online commenter-baiting in *The Observer* or just for wearing a stick-on moustache in *That Mitchell and Webb Look*, has written a book about his life.

As well as giving a specific account of every single time he's scored some smack, this disgusting memoir also details:

- The singular, pit bull-infested charm of the FRP ('Flat Roofed Pub')
- The curious French habit of injecting everyone in the arse rather than the arm
- Why, by the time he got to Cambridge, he really, really needed a drink
- The pain of being denied a childhood birthday party at McDonalds
- The satisfaction of writing jokes about suicide
- How doing quite a lot of walking around London helps with his sciatica
- Trying to pretend he isn't a total \*\*\*\* at Robert Webb's wedding
- That he has fallen in love a LOT, but rarely done anything about it
- Why it would be worse to bump into Michael Palin than Hitler on holiday
- That he's not David Mitchell the novelist, despite what David Miliband might think
