Governor General and the Prime Ministers, The: The Making and Unmaking of Governments

Edward McWhinney

Governor General and the Prime Ministers, The: The Making and Unmaking of Governments Edward McWhinney

Since Canada may be faced with a period of minority governments, it has become increasingly important to understand the role of the Head-of-State—the Governor General—in facing the challenge of dysfunctionality. Edward McWhinney clearly lays out the present powers and responsibilities of the office, advising the country on what to expect from the Governor General and Prime Ministers. He does so within an historical frame, revealing how the office has evolved from a time when the Governor General was the appointee and representative of the imperial government to today when the office has become part of Canada's constitutional checks and balances. McWhinney suggests how it is now possible to use the inherent powers of the Head-of-State in concert with the other coordinate arms of government to make the constitutional system work effectively in crisis situations. He delights in showing how the evolving constitutional precedents rarely result from high theory but from colourful personalities forced to make pragmatic decisions in difficult situations. He goes behind the scenes to portray royals, dignitaries and politicians in their private moments as they struggle to adapt constitutional rules to meet changing times. The volume ranges widely over the Commonwealth, showing how separate and diverse countries have drawn on one another's experience to refashion the Westminster model. McWhinney ends by suggesting possible directions for Canada after the departure of Queen Elizabeth II.

"In his many writings, McWhinney offers a substantial read, aimed at those keen on politics."

—Douglas Fisher, *The Ottawa Sun*

From reader reviews:

Margaret Burton:

Are you kind of stressful person, only have 10 or 15 minute in your day time to upgrading your mind skill or thinking skill actually analytical thinking? Then you have problem with the book when compared with can satisfy your short space of time to read it because this time you only find guide that need more time to be examine. Governor General and the Prime Ministers, The: The Making and Unmaking of Governments can be your answer since it can be read by you actually who have those short time problems.

Betty Edmond:

Many people spending their period by playing outside with friends, fun activity together with family or just watching TV all day long. You can have new activity to enjoy your whole day by reading through a book. Ugh, you think reading a book really can hard because you have to take the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Mobile phone. Like Governor General and the Prime Ministers, The: The Making and Unmaking of Governments which is having the e-book version. So , why not try out this book? Let's see.

Jose Higham:

Is it you who having spare time after that spend it whole day through watching television programs or just laying on the bed? Do you need something totally new? This Governor General and the Prime Ministers, The: The Making and Unmaking of Governments can be the solution, oh how comes? It's a book you know. You are and so out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?

Jami Hannah:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Governor General and the Prime Ministers, The: The Making and Unmaking of Governments can make you experience more interested to read.
