This is your guide to all the things that happen after “I do.”

The advice in this book to brides is pretty simple. You don’t need to become an expert on men. Only one man. Learn the secrets to loving and respecting him while also asking for what you need. Take an honest look at your own family: its unwritten codes, how it has shaped you, and the ways it affects your relationship with your husband. Learn how to speak each other’s “language” and appreciate the qualities each of you brings to your marriage.

Susan DeVries and Bobbie Wolgemuth offer a solid, approachable look at improving communication skills, secrets for a great sex life, budgeting basics, dealing with in-laws, navigating tough times and much more. Above all, you’ll cultivate a spiritual unity that draws the two of you closer to each other as you draw closer to God.

*What Every Bride Needs to Know* will help make your first year together as husband and wife what it was meant to be: the most important year in your life.
