Anticlockwise: The Psychedelic World of Tara King (The Avengers on Film) (Volume 3) Rodney Marshall

After the critical success of *Bright Horizons* and *Mrs. Peel, We're Needed*, *The Avengers on Film* book series is back with the third volume... *The Avengers* was a unique, genre-defying television series which blurred the traditional boundaries between 'light entertainment' and disturbing drama. It was a product of the constantly-evolving 1960s yet retains a timeless charm. The arrival of Tara King and Mother saw *The Avengers* shaken and stirred, as writers and directors playfully engaged with a variety of film and television genres. Steed and Tara face increasingly odd adventures and dangers: killer clowns, a giant nose, love drugs, deadly board games, duplicate Steeds, Victorian fog, an underground 'paradise', and vengeful Home Counties cowboys. *Anticlockwise* draws on the knowledge of a broad range of experts and fans of *The Avengers* as it explores the surreal, unpredictable, psychedelic world of Tara King. "The Avengers challenged audiences to enjoy art beyond the ordinary." (Matthew Lee) "The Avengers is a wonderful example of avoiding the tyranny of common sense." (Robert Fuest) Includes contributions from: Australian Avengers webmaster Piers Johnson; French Avengers webmaster Bernard Ginez; academics Sunday Swift and Lauren Humphries-Brooks; psychologist Margaret J Gordon; television historian Matthew Lee; actor Richard Cogzell.
