## **Cognac: A Liquid History** Salvatore Calabrese

It's called the *noble spirit* and *king of brandies*--and who better to explain why than the celebrated bartender and world expert on cognac? This royal drink is his obsession, and before you're through with these elegantly illustrated, information-filled pages, it will be yours, too. Calabrese introduces the leading families and houses in the business and, decade by decade, gives the fascinating, sinful, and seductive history of cognac. Here, too, are the personal stories of those in the small area in France who produce the golden liquid, a summary of the distillation process from grape to cask to bottle, tasting notes for a selection of the finest vintages, tips of the trade, and handsome photography. An insightful reflection on a very special liquor.
