Q & A with Ron White

Q: Can anyone improve their memory?

A: Yes, I have taught these techniques to a 6 year old and watched her memorize the names of the 44 presidents of the USA literally in just 90 minutes. I have also taught a World War II veteran and he was the star of the class. Some people will learn the techniques and become memory champions. Others will just get better at remembering names

Q: How long does it take to get good at remembering names?

A: It depends but what takes the longest is turning names into pictures and getting pictures in your head for

common names. It could take a year to turn 500 names into a picture. But this book does that work for you turning 1600 names into pictures

Q: What is it like to compete in the USA Memory Championship and World Memory Championship?

A: It is a TON of fun. I wish more people would start doing these tournaments. They are such incredible fun and the people you meet who are pushing their memories are just incredible.

Q: When did you realize you had this special ability?

A: I don't have a special ability. Anyone can learn this system. I'm a normal guy who learned a system

Q: What is the most names you have memorized?

A: 128 names in 15 minutes at the USA Memory Championships. As a veteran of the military and war in Afghanistan I also memorized all the fallen heroes from the us military. Itis over 2,300 names and took me about 10 months.

Q: How many names could the average person remember?

A: How about this: Set a goal for yourself to meet and remember 100 new names this year. Sounds like a lot but it is only 2 a week but just imagine how knowing 100 new people would change your relationships. If I can do 128 names in 15 minutes you can do 100 in 12 months. Oh, for the record you can do 128 in 15 minutes too but you don't believe me now. Get the book and then you will believe me.
