**\*\*2015 TAGT Legacy Award Winner\*\***

The fear of being judged by others in social activities is a common human experience, especially during childhood. But when the fear becomes all-consuming, it can disrupt daily functioning and the development of social competency. *Raising the Shy Child: A Parent's Guide to Social Anxiety* takes a fresh look at social anxiety disorder, coupling the latest in research trends with evidence-based strategies and real-world stories to untangle the complexities of this disorder. Presented in an easy-to-read, conversational style, the book uses a combination of real-world examples and stories from adults and children with social anxiety disorder to show parents and educators how to help children find a path through their fear and into social competence. With specific strategies to address school refusal, bullying, and identity issues, *Raising the Shy Child* is a must-read resource for anyone dedicated to enhancing the lives of children.
