“I can’t stand my job anymore.”

“I feel like I have no direction. Like I’m just marking time.”

“What is my purpose?”

Do any of these thoughts sound familiar? In the last 70 years, social scientists and churches been trying to help people understand who they are and how they fit with personality tests and spiritual gifts tests – but these only go so far.

Bill Hendricks goes beyond personality types to explore and explain the fullness of human giftedness and the concept of personhood. Using the “Discover Your Design” test, *The Person Called You* provides a specific, comprehensive, and accurate understanding of the phenomenon of human giftedness from a Biblical perspective. It moves past the limited scope of other gift discovery tests to look at each person’s unique God-given designs and motivations. This book helps the reader understand their deep uniqueness as a human being and purpose in life from a variety of angles –work, marriage, parenting, education, and one’s relationship with God.

The Person Called You is for anyone who knows they aren’t quite where they ought to be – and not quite where they will flourish best – and wants to who they were created to be. It’s a presentation of hope – hope that there actually are answers to some of life’s most perplexing questions.
