The sphere of our love for God is without limits; it transcends the hour or two each Sunday many Christians give to God in fulfillment of the greatest commandment. This book is a wakeup call to remind us that the Christianity revealed in the Bible is about more than Sunday morning church attendance. It is a total way of life: 24-7-365 days each year. This is not an attempt to minimize the essentialness of attending church services; especially on Sunday. In fact it is my hope that it will encourage faithful attendance in all the church services and Bible classes. But remember Christianity is lived BEYOND SUNDAY.
