Carpenters and Builders Library: Millwork, Power Tools, Painting v. 4 (Carpenters and builders library / by John E. Ball) John E. Ball

This volume, the fourth in a complete library for carpenters, do it yourselfers, and builders, covers a wide range of areas, many of them in the finishing touch category. Chapter 1 for example, discusses roofing, from the latest roof types to how to install a number of roofs, including asphalt shingle roofs, which are far and away the most popular. There is also a chapter on what is available in doors and windows. These are two very important areas today: both can play a role in energy saving
