Faith in Real Life: Creating Community in the Park, Coffee Shop, and Living Room Mike Tatlock

An effective new voice in the contemporary church movement shares important lessons from his failures and successes in building a community that reaches out with maximum impact within an emerging culture.

Over the past decade Mike Tatlock has been on a journey to examine the life of Jesus with a view to developing a church that truly makes a difference. His hard-won lessons have shaped a ministry philosophy that is connecting people in community to engage the world around them—from the living room to the coffee shop and beyond.

His clear strategy intentionally connects people and provokes them to be about something bigger than themselves. It generates momentum in a culture where people long to be part of a cause that is bigger than being a member of a church. And it creates a network of lives bonded together through authentic relationships.

Faith in Real Life is not a collection of theoretical how-tos but an inspiring flight of discovery designed to help church leaders and their members take the risk to live fully, effectively, and engagingly as the body of Christ in this world.
