The Epic Adventures of Lydia Bennet: A Novel (Lizzie Bennet Diaries) Kate Rorick, Rachel Kiley

Based on the Emmy Award-winning “genius” (*The Guardian*) web series, *The Lizzie Bennet Diaries*, this is a new novel starring Lizzie’s spunky sister Lydia as she navigates the joys and pitfalls of becoming an adult in the digital age.

Before her older sister, Lizzie, started her wildly popular vlog, Lydia was just a normal twenty-year-old plotting the many ways she could get away with skipping her community college classes and finding the perfect fake ID. She may not have had much direction, but she loved her family and had plenty of fun. Then Lizzie’s vlog turned the Bennet sisters into Internet sensations, and Lydia basked in the attention as people watched, debated, tweeted, tumblr’d, and blogged about her life. But not all attention is good...

After her ex-boyfriend, George Wickham took advantage of Lydia’s newfound web-fame, betrayed her trust, and destroyed her online reputation, she’s no longer a naïve, carefree girl. Now, Lydia must work to win back her family’s trust and respect and find her place in a far more judgmental world.

Told in Lydia’s distinctive, eccentric, and endearing voice, *The Epic Adventures of Lydia Bennet* picks up right where *The Secret Diary of Lizzie Bennet* left off and “offers a fresh take on *Pride and Prejudice* without ruining it” (*The Washington Post*, on *The Secret Diary of Lizzie Bennet*). Featuring fresh twists, wonderful new characters, and scores of hilarious texts, doodles, and tweets, *The Epic Adventures of Lydia Bennet* takes you behind the webcam and into the lives of your favorite sisters in a way that’s sure to satisfy existing fans and delight new ones.
