## **Chesterton** Garry Wills

Part of a literary circle that included H. G. Wells, George Bernard Shaw, Hillaire Belloc, and Max Beerbohm, G. K. Chesterton (1874-1936) wrote essays of social criticism for contemporary journals, literary criticism (including notable books on Browning, Dickens, and Shaw), and works of theology and religious argument, but may have been best known for his Father Brown mysteries. Chesterton's interest in Catholic Christianity, first expressed in *Orthodoxy*, led to his conversion from Anglicanism to Roman Catholicism in 1922. This revised edition of Garry Wills's finely crafted biography includes updates to the text and a new introduction by the author.

### From reader reviews:

#### **Betty Ahlstrom:**

What do you concerning book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy man? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have extra time? What did you do? All people has many questions above. They have to answer that question due to the fact just their can do that will. It said that about book. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need that Chesterton to read.

#### **Shameka Nye:**

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider while those information which is within the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you receive the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take Chesterton as the daily resource information.

#### **Robert Thompson:**
