Dust and Shadow: An Account of the Ripper Killings by Dr. John H. Watson Lyndsay Faye

From the gritty streets of nineteenth century London, the loyal and courageous Dr. Watson offers a tale unearthed after generations of lore: the harrowing story of Sherlock Holmes's attempt to hunt down Jack the Ripper.

As England's greatest specialist in criminal detection, Sherlock Holmes is unwavering in his quest to capture the killer responsible for terrifying London's East End. He hires an "unfortunate" known as Mary Ann Monk, the friend of a fellow streetwalker who was one of the Ripper's earliest victims; and he relies heavily on the steadfast and devoted Dr. John H. Watson. When Holmes himself is wounded in Whitechapel during an attempt to catch the savage monster, the popular press launches an investigation of its own, questioning the great detective's role in the very crimes he is so fervently struggling to prevent. Stripped of his credibility, Holmes is left with no choice but to break every rule in the desperate race to find the madman known as "the Knife" before it is too late.

A masterly re-creation of history's most diabolical villain, Lyndsay Faye's debut brings unparalleled authenticity to the atmosphere of Whitechapel and London in the fledgling days of tabloid journalism and recalls the ideals evinced by Sir Arthur Conan Doyle's most beloved and world-renowned characters. Jack the Ripper's identity, still hotly debated around the world more than a century after his crimes were committed, remains a mystery ripe for speculation. *Dust and Shadow* explores the terrifying prospect of tracking a serial killer without the advantage of modern forensics, and the result is a lightning-paced novel brimming with historical detail that will keep you on the edge of your seat.

From reader reviews:

Nola Schroeder:

The book *Dust and Shadow: An Account of the Ripper Killings* by Dr. John H. Watson make you feel enjoy for your spare time. You can utilize to make your capable a lot more increase. Book can to become your best friend when you getting pressure or having big problem together with your subject. If you can make reading through a book *Dust and Shadow: An Account of the Ripper Killings* by Dr. John H. Watson for being your habit, you can get a lot more advantages, like add your own personal capable, increase your knowledge about a number of or all subjects. You may know everything if you like open up and read a reserve *Dust and Shadow: An Account of the Ripper Killings* by Dr. John H. Watson. Kinds of book are a lot of. It means that, science guide or encyclopedia or some others. So , how do you think about this e-book?

Laura McLaughlin:

Information is provisions for people to get better life, information currently can get by anyone on everywhere. The information can be a expertise or any news even a concern. What people must be consider while those information which is inside the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you have the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take *Dust and Shadow: An Account of the Ripper Killings* by Dr. John H. Watson as the daily resource information.

Eula Johnson:

Exactly why? Because this *Dust and Shadow: An Account of the Ripper Killings* by Dr. John H. Watson is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will distress you with the secret that inside. Reading this book adjacent to it was fantastic author who all write the book in such remarkable way makes the content inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of positive aspects than the other book possess such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I were being you I will go to the e-book store hurriedly.

Georgia Cunningham:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach

Chinese's country. So , this Dust and Shadow: An Account of the Ripper Killings by Dr. John H. Watson can make you experience more interested to read.
