AME's *Target Magazine* has a well-established reputation for detailed case studies of companies adopting lean strategies. These case studies are now available in a well-organized *Enterprise Excellence Series*, to tap the ongoing desire for information about what other companies are doing to implement lean.

To satisfy the growing interest in applying lean to non-manufacturing operations, this first volume of the series covers the implementation of lean to administrative and office applications.

Case Studies are categorized in three areas: **Leadership, Organization and Training; Improving Processes;** and **Lean in Healthcare**, making it easy to track down the type of information desired.
