The Deadly Joker (Bloomsbury Reader)

Nicholas Blake

The Deadly Joker (Bloomsbury Reader) Nicholas Blake

When John Waterson and his young wife chose Netherplash Cantorum, Dorset, for their retirement years, they could not have predicted that this idyllic spot had one severe but unforeseeable drawback: among its inhabitants was a practical joker whose fertile mind ran to the most bizarre and grotesque designs.

The Village was no place for a quiet retirement, or for a gentle recuperation from the nervous breakdown that had afflicted Waterson's wife. In Netherplash, the peace is continually disrupted with extraordinary events tripping over each other which, in the end, lead to a hideous and painful murder.

With a cast of characters who are both bizarre and believable, this is an original tour-de-force of crime fiction placing Blake firmly in the genre.

"It really shouldn't be missed...this is a book with an extremely original approach and an extremely original idea." - *The Sunday Times*
