Bareback Chris Owen

Jake Taggart's life was almost perfect--he'd worked hard to overcome his past, and he loved his job as foreman on a ranch in Arkansas. The only thorn in his side was a dark eyed cowboy named Tornado whose stubborn attitude brought frustration and confusion to Jake's mostly happy existence. A late spring rainstorm brings out hidden passions and unleashes a chain of events neither of them expected--and eventually brings about events that threaten to destroy them and what they worked to create. Strong wills and forceful personalities make for intense encounters.... but is it enough to keep love alive?
