???????? (Chat With Government Officers on Leader's Decision Making.) (Chinese Edition) ??

[illegible]

At present, China is in the stage of hard time of reform, critical period of development and contradiction. China's development shows a series of new and phased characteristics. CPC is confronted with long-time, complex and arduous administration task, problems arising from reform and opening-up, market economy and external environment. Facing the profound changes worldwide, nationwide and inside the CPC, the arduousness, complexity and heavy burden of reform and opening up, modernization, The Fourth Plenum of the 17th CPC Central Committee stressed we should focus on facilitating scientific development and social harmony, strengthening the cultivation of leadership among government officers and cadres, promoting the capability of overall planning, optimizing and promoting development, public work and services, social management, capability to maintain social stability, emphasizing capability on administration by law and emergency management, public opinion guidance, application of emerging media and handling ethnic and religious work. "Chat with government officers" series book is involved with "power" and "capability" in the aspects of knowledge learning, horizon expansion, capability strengthening and work support. Such chat is relax and understandable with profoundness in practicable way.
