El río del olvido (Spanish Edition)

Julio Llamazares

El río del olvido (Spanish Edition) Julio Llamazares

El autor regresa a los paisajes de una infancia ya perdida a través de un viaje que le llevará a recorrer parte de montaña leonesa, bordeando el curso del río Curueño y que desvelará, a su paso, un escenario «tan hermoso como sobrecogedor y tan espectacular como perturbador para el espíritu y el alma». A través de una prosa bella e intimista y un lenguaje minucioso, Julio Llamazares nos muestra la fascinación, la nostalgia y el cariño que le provoca un paisaje que «guarda memoria en sus piedras del paso feroz del tiempo» y nos revela ese mundo rural, ese territorio que forma parte de nuestra historia y nuestra memoria. El río del olvido es, además, un magnífico relato sobre la experiencia del viaje: el recuerdo del camino y la mirada del que llega y la de «los otros».

From reader reviews:

Kevin Applegate:

Reading a publication tends to be new life style in this era globalization. With studying you can get a lot of information that could give you benefit in your life. With book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some research before they write on their book. One of them is this El río del olvido (Spanish Edition).

Anthony Brown:

Your reading sixth sense will not betray you actually, why because this El río del olvido (Spanish Edition) reserve written by well-known writer who really knows well how to make book that can be understand by anyone who have read the book. Written throughout good manner for you, still dripping wet every ideas and producing skill only for eliminate your current hunger then you still skepticism El río del olvido (Spanish Edition) as good book not simply by the cover but also by content. This is one book that can break don't ascertain book by its handle, so do you still needing one more sixth sense to pick this!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

Clifford Roselli:

In this era globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. Often the book that recommended to your account is El río del olvido (Spanish Edition) this reserve consist a lot of the information on the condition of this world now. That book was represented how do the world has grown up. The language styles that writer value to explain it is easy to understand. Typically the writer made some investigation when he makes this book. Honestly, that is why this book acceptable all of you.

Frankie Lampkins:

This El río del olvido (Spanish Edition) is new way for you who has intense curiosity to look for some information mainly because it relief your hunger of knowledge. Getting deeper you upon it getting knowledge more you know otherwise you who still having bit of digest in reading this El río del olvido (Spanish Edition) can be the light food in your case because the information inside that book is easy to get through anyone. These books produce itself in the form which is reachable by anyone, that's why I mean in the e-book form. People who think that in publication form make them feel drowsy even dizzy this guide is the answer. So there is not any in reading a book especially this one. You can find what you are looking for.

It should be here for anyone. So , don't miss it! Just read this e-book type for your better life in addition to knowledge.
