History of Ukraine - 2nd, Revised Edition: The Land and Its Peoples

Paul Robert Magocsi

History of Ukraine - 2nd, Revised Edition: The Land and Its Peoples Paul Robert Magocsi

First published in 1996, *A History of Ukraine* quickly became the authoritative account of the evolution of Europe's second largest country. In this fully revised and expanded second edition, Paul Robert Magocsi examines recent developments in the country's history and uses new scholarship in order to expand our conception of the Ukrainian historical narrative.

New chapters deal with the Crimean Khanate in the sixteenth and seventeenth centuries, and new research on the pre-historic Trypillians, the Italians of the Crimea and the Black Death, the Karaites, Ottoman and Crimean slavery, Soviet-era ethnic cleansing, and the Orange Revolution is incorporated. Magocsi has also thoroughly updated the many maps that appear throughout.

Maintaining his depiction of the multicultural reality of past and present Ukraine, Magocsi has added new information on Ukraine's peoples and discusses Ukraine's diasporas. Comprehensive, innovative, and geared towards teaching, the second edition of *A History of Ukraine* is ideal for both teachers and students.
