A Brief History of the Future: A Brave and Controversial Look at the Twenty-First Century Jacques Attali

What will planet Earth be like in twenty years? At mid-century? In the year 2100? Prescient and convincing, this book is a must-read for anyone concerned about the future. Never has the world offered more promise for the future and been more fraught with dangers. Attali anticipates an unraveling of American hegemony as transnational corporations sever the ties linking free enterprise to democracy. World tensions will be primed for horrific warfare for resources and dominance. The ultimate question is: Will we leave our children and grandchildren a world that is not only viable but better, or in this nuclear world bequeath to them a planet that will be a living hell? Either way, he warns, the time to act is now.

From reader reviews:

Herman Lewis:

Throughout other case, little persons like to read book A Brief History of the Future: A Brave and Controversial Look at the Twenty-First Century. You can choose the best book if you like reading a book. So long as we know about how is important some sort of book A Brief History of the Future: A Brave and Controversial Look at the Twenty-First Century. You can add expertise and of course you can around the world by just a book. Absolutely right, simply because from book you can learn everything! From your country until foreign or abroad you will be known. About simple thing until wonderful thing it is possible to know that. In this era, we could open a book or perhaps searching by internet device. It is called e-book. You need to use it when you feel weary to go to the library. Let's study.

Amy Nichols:

This A Brief History of the Future: A Brave and Controversial Look at the Twenty-First Century book is not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this e-book incredible fresh, you will get data which is getting deeper an individual read a lot of information you will get. That A Brief History of the Future: A Brave and Controversial Look at the Twenty-First Century without we know teach the one who reading through it become critical in considering and analyzing. Don't possibly be worry A Brief History of the Future: A Brave and Controversial Look at the Twenty-First Century can bring when you are and not make your tote space or bookshelves' come to be full because you can have it inside your lovely laptop even cell phone. This A Brief History of the Future: A Brave and Controversial Look at the Twenty-First Century having excellent arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Elizabeth Sherer:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this A Brief History of the Future: A Brave and Controversial Look at the Twenty-First Century can make you truly feel more interested to read.

Sherry Francis:

What is your hobby? Have you heard that will question when you got learners? We believe that that problem was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. So you know that little person including reading or as looking at become their hobby. You need to understand that reading

is very important as well as book as to be the point. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You see good news or update about something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them are these claims A Brief History of the Future: A Brave and Controversial Look at the Twenty-First Century.
