The Kill Call (Cooper & Fry Mysteries Book 9) Stephen Booth

On a rain-swept hillside, hounds from the local foxhunt discover the body of a well-dressed man. At that exact moment, an anonymous caller reports the same body . . . lying half a mile away.

It's only the first in a series of baffling clues as Ben Cooper and Diane Fry—partners and rivals on the detective force —plunge into a case involving horses, spectacular wealth, and a mysterious "plague village" where a centuries-old outbreak of Black Death has been transformed into a modern tourist attraction.

As the spring rain falls and the body count rises, Cooper and Fry's investigation twists back to the recent past. A killer lurks in the shadows there—a killer now hiding in plain sight . . .

Atmospheric and ingenious, packed with suspense and secrets, *The Kill Call* is an unforgettable thriller from an unforgettable writer.
