**The Visitor's Guide to American Gardens: Garden Walks, Garden Talks, Garden Events** Jo Ellen Meyers Sharp

Public gardens are popular attractions for visitors, for local residents, and for garden enthusiasts. Garden events are planned destinations for gardeners and tourists in the U.S. and the U.K. Botanical gardens host events each year that include festivals, seasonal events, family attractions, special exhibitions, children's activities, and more. While consumers can search the Internet for information on individual shows or local garden events, there isn't anything comparable to this product online in one location. *The Visitor's Guide to American Gardens* features a state-by-state listing of each garden; its attractions, benefits, and features; contact information; and a description of yearly events. It also features the popular regional garden shows and even garden tours available for traveling internationally. This is a one-stop resource for American and Canadian public gardens.
