Does love have a chance when no one knows she wants it?

Jinx Tanner is an ex-con trying to piece together a life on the outside and heal her relationship with her half-sister who hasn't spoken to her in over twenty-five years.

Romantic love is now here on her radar. E. J. Bastien is a business executive with her life and heart under control. She has a successful career, a woman in her bed whenever she wants one, and a healthy relationship with her grown children—as long as they don't find out she's gay. She has no desire for romantic entanglements.

When these two women awaken after a one-night stand to find their lives inextricably entwined, love has its work cut out for it.
