Downloading this FREE release by 12 a.m. PT on January 1, 2013 will entitle you to receive a unique code that can be redeemed within the free-to-play (F2P) online video game HAWKEN, good for 2000 Hawken Credits of in-game currency that can be used to buy items, upgrades, and accessories. This unique code will be emailed to you after January 1st, during the first week of 2013 to the email address associated with your comiXology account.

On the distant world of Illal, corporate rivalry turns to warfare as secret technologies are discovered, coveted, and stolen. Mega-planetary corporate empires, SENTIUM and PROSK, each seek to out-jockey each other in the race for technical superiority in the marketplace, but when the value of that superiority eclipses the cost of human life, no degree of diplomacy can bridge the gap. Now, with the discovery of a revolutionary new geological element, both sides fight tooth and nail for the materials that will keep them one step ahead of the other in an escalating arms race that will - unbeknownst to all - lead to the ruin of the planet?

In this second of four preview releases, exclusive to comiXology, writer Jeremy Barlow (Mass Effect, Star Wars) and artist Bagus Hutomo (Shrapnel, Heavy Metal) bring you "CAT AND MOUSE", lettered by Deron Bennet (Tale of Sand, The Dark Crystal).
