Assure your mastery of medical surgical nursing knowledge while honing your critical thinking and test-taking skills. This popular resource features 2,000 questions that reflect the latest advances in medical-surgical nursing and the new, 2010 NCLEX-RN® test plan. The seemingly huge volume of information you must master has been organized into manageable sections divided by body systems and specific diseases. Each chapter is a self-contained unit. For each practice question, you'll find the answer, rationales for correct and incorrect responses, and a test-taking tip. The comprehensive exam at the end of each chapter assesses your strengths and weaknesses, identifying areas for further study.
