## **Possible Miracle: A Caregiver's Experience Coping with Her Husband's Struggle Through Pancreatic Cancer, Liver Disease and a Liver Transplant** Susan Fayne

A caregiver's inspiring true story of contending with her husband's fight for survival against three life-threatening health issues. Follow her path of living in denial, of eventually coping and of finally becoming a proactive advocate which ultimately saved the man she loved. Together they persisted on a journey from sickness to health; from despair to happiness.
