The Avengers Files: The Official Guide Andrew Pixley

Loosely set in the England of the 1960s and 1970s, *The Avengers* inhabited an extraordinary landscape of aristocrats, mad scientists, spies, and sports cars. Starring Patrick Macnee as the urbane, umbrella-toting spy John Steed and Diana Rigg as his alluring accomplice, Mrs. Emma Peel, *The Avengers* dazzled television audiences on both sides of the Atlantic. In *The Avengers Files*, cult-TV authority Andrew Pixley looks at every detail and nuance of the series, from the original stories and scripts to the making of the films. Abundantly illustrated with many never-before-seen stills and behind-the-scenes shots, this is the book that Avengers fans everywhere have been waiting for.

From reader reviews:

Helen Elder:

The book The Avengers Files: The Official Guide can give more knowledge and information about everything you want. Why then must we leave the good thing like a book The Avengers Files: The Official Guide? Wide variety you have a different opinion about guide. But one aim this book can give many data for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or facts that you take for that, you could give for each other; you can share all of these. Book The Avengers Files: The Official Guide has simple shape but the truth is know: it has great and large function for you. You can seem the enormous world by open and read a guide. So it is very wonderful.

Christopher Morton:

As people who live in the actual modest era should be change about what going on or information even knowledge to make all of them keep up with the era which is always change and make progress. Some of you maybe may update themselves by reading through books. It is a good choice for you personally but the problems coming to an individual is you don't know which you should start with. This The Avengers Files: The Official Guide is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Marietta Allred:

Playing with family within a park, coming to see the water world or hanging out with close friends is thing that usually you may have done when you have spare time, in that case why you don't try matter that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love The Avengers Files: The Official Guide, you can enjoy both. It is good combination right, you still want to miss it? What kind of hangout type is it? Oh seriously its mind hangout guys. What? Still don't understand it, oh come on its referred to as reading friends.

Dale Fain:

Is it anyone who having spare time subsequently spend it whole day through watching television programs or just lying on the bed? Do you need something new? This The Avengers Files: The Official Guide can be the reply, oh how comes? A book you know. You are thus out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these publications have than the others?
