**The Complete Nyingma Tradition from Sutra to Tantra, Books 1 to 10: Foundations of the Buddhist Path: 1 - 10 (Tsadra)** Choying Tobden Dorje

In 1838, Choying Tobden Dorje, a Buddhist yogi-scholar of eastern Tibet, completed a multivolume masterwork that traces the entire path of the Nyingma tradition of Tibetan Buddhism from beginning to end. Written by a lay practitioner for laypeople, it was intended to be accessible, informative, inspirational, and above all, practical. Its twenty-five books, or topical divisions, offer a comprehensive and detailed view of the Buddhist path according to the early translation school of Tibetan Buddhism, spanning the vast range of Buddhist teachings from the initial steps to the highest esoteric teachings of great perfection. Choying Tobden Dorje's magnum opus appears in English here for the first time.

In *Foundations of the Buddhist Path*, which covers the first ten of the treatise's twenty-five books, the author surveys the scope of the entire work and then begins with the topics that set the cornerstones for all subsequent Buddhist practice: what constitutes proper spiritual apprenticeship, how to receive the teachings, how to make the best use of this life, and how to motivate ourselves to generate effort on the spiritual path. He then describes refuge and the vows that define the path of individual liberation before turning to the bodhisattva's way—buddha nature, how to uplift the mind to supreme awakening, the bodhisattva's training, and the attainments of the paths leading to supreme awakening.
