The Soulmate Path: Find the Love You Want and Strengthen the Love You Have Monte Farber, Amy Zerner

In this volume, Monte Farber and Amy Zerner, who have been soulmates since 1979, describe the path they walk every day. It's a path that any of us can walk, whether we're looking for love or looking to improve the relationship we're in. A moving, insightful, frank, and often funny account, they share their own stories—from meeting and falling in love, to beginning to work together, to dealing with the stresses and challenges that inevitably occur. With every story and at each step of their journey, they offer readers Secrets to practice in their own lives. They also provide readers 36 lessons to remember when attracting and developing a relationship. Because Monte & Amy are so well-known for their oracles, they also made a way that the reader can consult these lessons in answer to questions they may have, following the principle that the Universe gives us what we need.
