The Way Out of Obamacare (Encounter Broadside) Sally C. Pipes

President Barack Obama has declared that his signature health reform law – the Patient Protection and Affordable Care Act – is “here to stay.” But his days in the White House are numbered, and the law has failed: insurance premiums and deductibles have skyrocketed, patients are losing access to doctors, and economic growth has been crushed.

In this Broadside, Sally C. Pipes provides an actionable blueprint for health care reform this campaign season, which the next president can implement on Day One. This book provides a replacement plan for Obamacare – one that will provide affordable, accessible, quality health care for all Americans.
