What's Your BQ? Learn How 35 Companies Add Customers, Subtract Competitors, and Multiply Profits with Brand Quotient Sandra Sellani

What's Your BQ? It could be the most important question you can ask and answer if you are running a business in today's competitive landscape. Consider the fact that that 80% of new brands fail upon introduction and another 10% fail within five years. With the heightened competition and consumer savvy of the 21st century, it is imperative that every business owner knows how to build a competitive advantage into their brand. The book will give you a customized snapshot of your company's brand strengths and weaknesses through a 40-question test. The author will then take you through a step by step process of brand assessment, improvement and planning. The results can have a profound impact on the longevity of your business, large or small.
