## Medusa E.H. Visiak

*Medusa* is a classic novel of cosmic horror originally published in the late 1920s. Editions of the novel sell for hundreds of dollars on the collector's market. This ultimate edition of *Medusa* is everything you've been dreaming about: the complete novel, a new introduction from Colin Wilson, and thirteen of E. H. Visiak's short stories, collected here for the first time, as a bonus. If you've ever been interested in this relatively obscure writer, this is the perfect book for you. The novel contains many wood-cut illustrations and paintings reproduced in color.
