The Average American Marriage: A Novel Chad Kultgen

The Average American Marriage, the long-awaited sequel to Chad Kultgen's much debated, always controversial *The Average American Male*, is a matter-of-fact foray into the male mind and sexual fantasy.

Now married with children, Kultgen's lewd and sex-obsessed narrator once again offers up his deep (and not so deep) thoughts on love, marriage, kids, and (naturally) sex: from birthday sex to interns to parenting, *The Average American Male* looks upon the institution of marriage with the same deadpan smirk he has brought to the rest of his sex-addled, perennially disaffected life.
