The Politically Incorrect Guide to the Middle East (Politically Incorrect Guides (Paperback)) Martin Sieff

Why most of what you think you know about the Middle East is wrong

The Middle East: a region that's almost never off the front pages, yet one most Americans know little about. The mainstream media and Ivy League academics only make matters worse by casting everything in the usual politically correct mold: Arab terrorists are just desperate freedom fighters, and the region's one free democracy--Israel--is the oppressor, not least because of its alliance with America. And if Islamic extremism is a problem, the establishment tells us, it's only because it's rooted in that source of all evils: religion. A different strain of political correctness has seeped into some minds on the right--most notably the Bush administration, which, so ready to buy into the egalitarian myths we are all taught, believed that Western-style democracy could flourish anywhere. Now, in *The Politically Incorrect Guide*(tm) to the Middle East, veteran Middle East correspondent Martin Sieff puts the lie to all these myths and clichés, giving you everything you need to know about the region to understand its past, its present, and its possible future. In *The Politically Incorrect Guide*(tm) to the Middle East, you'll learn:

- * How, for three decades, the British supported parliamentary democracy throughout the Middle East, but it didn't work
- * Why Britain's post-World War I Middle East policy was a comedy of errors and incompetence that soon escalated into tragedy
- * Where America went wrong in Iraq: how U.S. policymakers vastly underestimated the intransigent, unsophisticated, and anti-Western nature of its competing communities
- * How Saudi Arabia's security forces defeated al Qaeda--and why you never heard about it
- * Why we'll miss the Arab dictators when they're gone
- * How the Muslim nations of the Middle East took an irrevocable turn toward radical Islam not in the tenth century or after the fall of Baghdad to the Mongols in the thirteenth century--but in 1979
- * How the Arab states openly declared their determination to prevent a Jewish state from being born in 1947--twenty years before the West Bank and Gaza were first occupied

The Politically Incorrect Guide(tm) to the Middle East is a bold first step toward facing the hard truths necessary for peace.

From reader reviews:

Thomas Whitaker:

As people who live in the modest era should be up-date about what going on or details even knowledge to make all of them keep up with the era and that is always change and advance. Some of you maybe can update themselves by reading books. It is a good choice for you personally but the problems coming to a person is you don't know which you should start with. This The Politically Incorrect Guide to the Middle East (Politically Incorrect Guides (Paperback)) is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Matthew Brown:

Nowadays reading books become more than want or need but also work as a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want drive more knowledge just go with schooling books but if you want sense happy read one using theme for entertaining for instance comic or novel. Typically the The Politically Incorrect Guide to the Middle East (Politically Incorrect Guides (Paperback)) is kind of reserve which is giving the reader erratic experience.

Brandon Adams:

Are you kind of hectic person, only have 10 or maybe 15 minute in your day to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book compared to can satisfy your small amount of time to read it because all of this time you only find e-book that need more time to be go through. The Politically Incorrect Guide to the Middle East (Politically Incorrect Guides (Paperback)) can be your answer because it can be read by you actually who have those short extra time problems.

Laurie Cales:

Many people spending their moment by playing outside together with friends, fun activity using family or just watching TV the entire day. You can have new activity to shell out your whole day by reading a book. Ugh, do you think reading a book can definitely hard because you have to bring the book everywhere? It all right you can have the e-book, having everywhere you want in your Smart phone. Like The Politically Incorrect Guide to the Middle East (Politically Incorrect Guides (Paperback)) which is having the e-book version. So , try out this book? Let's notice.
