TOM (Training Online Manager) is a MOUS-approved training tool for Microsoft Office XP. TOM training lessons focus on the Word, Excel, Access, and PowerPoint 2002 skills your students need to master, and helps students learn critical thinking and applied skills in a personalized, interactive setting. Each skill is taught using four different methods, creating a customized learning path for each student. When TOM is used along with the SAM XP testing software and a Course Technology textbook, it completes an integrated testing and training solution that super-charges your Office XP curriculum.
