Below Ryan Lockwood

Breathtakingly frightening and hugely entertaining. . .a knockout debut. Ryan Lockwood is a talent to watch!
--Tripp Whetsell, *NY Daily News*

In the bestselling tradition of *Jaws*, from the depths of the sea comes a new kind of terror.

In all his years as a professional diver, Will Sturman has never encountered a killing machine more ferocious than the great white shark or as deadly as the piranha. Now, off the coast of California, something is rising from the deep--and multiplying. Voracious, unstoppable, and migrating north, an ungodly life form trailed by a gruesome wake of corpses. With the help of the brilliant and beautiful oceanographer Valerie Martell, Will finds himself in a race against time to stop the slaughter--by a predator capable of devastating the world's oceans.

Pray it kills you quickly.

"In this brilliantly terrifying debut, Ryan Lockwood snaps hold of you and doesn't let go. . .with nerve-tingling suspense, *BELOW* is a thriller you won't easily put down--or forget." --Kevin O'Brien, *New York Times* bestselling author

"Absolutely terrifying. . .and all the more frightening because it could happen." --Marc Cameron, author of *State of Emergency*

From reader reviews:

Lewis Labelle:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each e-book has different aim or goal; it means that publication has different type. Some people feel enjoy to spend their time for you to read a book. They are reading whatever they get because their hobby will be reading a book. Why not the person who don't like studying a book? Sometime, man feel need book once they found difficult problem or exercise. Well, probably you will require this Below.

Michael Johnson:

As people who live in the particular modest era should be revise about what going on or details even knowledge to make all of them keep up with the era and that is always change and progress. Some of you maybe can update themselves by reading books. It is a good choice for yourself but the problems coming to anyone is you don't know what one you should start with. This Below is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Peter Robey:

Reading a publication tends to be new life style on this era globalization. With examining you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Plenty of author can inspire their own reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their talent in writing, they also doing some investigation before they write with their book. One of them is this Below.

Julie Gibson:

Your reading sixth sense will not betray anyone, why because this Below e-book written by well-known writer we are excited for well how to make book that may be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still hesitation Below as good book not merely by the cover but also through the content. This is one reserve that can break don't determine book by its include, so do you still needing an additional sixth sense to pick this particular!? Oh come on your reading sixth sense already told you so why you have to listening to a different sixth sense.
