Debra Mason was abducted as a young girl by a sadistic pedophile. He held her captive and through abuse, punishment and isolation, turned her into a mirror image of himself...to a point. Psychiatric treatment and a return to normal life let her grow into a woman little knowing that inside her mind lurked the horror she was doomed to unleash on men of the same ilk as her abuser. Her world disintegrated, her marriage was lost, and everything she had gained shattered as she fell into the deviance she had once escaped...now she is lost within it. The lessons she learned at the whim of a madman cast her into the same madness with the power to excite or kill. Twenty five years later she chose to kill. Her lessons learned turned her into a murdering Dark Mistress with no conscience...now she must be stopped before she kills again.
