Duzinda (Portuguese Edition) Clotilde Chaparro

As violências moral e psicológica estão presentes na sociedade desde longos anos. Infelizmente, a modernidade não conseguiu eliminar as agressões entre os casais. O diálogo e o respeito são a base do amor. Não nos espanta o fato de a violência não ser exclusividade de classes mais populares. Na classe média, à qual pertence a personagem Duzinda, e na classe alta, ofensas e abusos são mais comuns do que imaginamos. Fatos semelhantes ao desta obra acontecem tanto em bairros de luxo como na periferia pobre de qualquer cidade do Brasil e do mundo. Duzinda, uma mulher comum, em seu cotidiano, mas cheia de sonhos, vai perdendo sua dignidade à medida que seu relacionamento dos encantos avança. O tempo desgasta seu casamento pela falta de respeito do cônjuge. O amor dela colide em si e se quebra em diversos pedaços, improváveis de serem colados. Esta história acontece na década de 1930 em bairro de classe média da cidade de São Paulo. De lá pra cá, muito se fez para a mulher, porém muito ainda há de se fazer. Duzinda nos ensina, pela dor, que ter consciência do problema já um passo importante – como dizem os psicólogos. Assim, é preciso ter coragem para agir e não repetir os passos da jovem Duzinda.
