Sent by Earth: A Message from the Grandmother Spirit (Seven Stories' Open Media) Alice Walker

Now more timely than ever, Alice Walker's *Sent By Earth* reflects on the tragedy of September 11, 2001, and addresses the anger many Americans felt at the presumed perpetrator of the attack: Osama bin Laden. In powerfully reflective, nuanced, and above all heartfelt prose, Walker explores the seeds of hatred and resentment around the globe, and advances a surprisingly controversial theory: that hatred can never be defeated by hatred, but only by love.
