## **Uncompahgre: A Guide to the Uncompahgre Plateau** Muriel Marshall

Finally back in print is the best historic guide to the fantastic but somewhat camouflaged Uncompahgre Plateau, one of the largest mountains in the American West. With so little written and so little known about such a large part of western Colorado, this reprint is a much requested resource for the foot, auto or armchair traveler. Swift moving, light and casual in style, the book is nevertheless based on careful research. Photography, liberally illustrating the narrative, is also by the author.

The Uncompahgre Mountain covers almost 2,000 square miles of western Colorado from Ridgway to Grand Junction. This new edition of the book includes a map and an index to further help the traveler explore the slashing canyons, weird geology and typography, vast horizons and interesting history that is the Uncompahgre Plateau.

Requested continually by tourists, travelers and serious collectors of Colorado's history and geology alike, this new release of Muriel Marshall's Uncompahgre, will thrill them all.
