James Capozzi

Beside Quiet Waters: Reflections on the Psalms in Our Everyday Lives James Capozzi

The Psalms are often viewed as ancient poems with little relevance in today's society. They can be difficult to read, obscure in their imagery, and even cruel and violent in their messages. In this book, the author takes one or more verses from each of the Psalms and relates their sentiments to experiences in our everyday lives. The Psalms are not about some ancient poet in a remote desert nation. The author believes they are about us. This book aims to give readers the chance to confront those evils within their own life and to reflect upon the sacredness of their everyday existence. Capozzi shows the message of the Psalms for our ordinary experiences and argues that God is not "out there" somewhere, but right here in everyday life. This work is aimed at people willing to explore these conflicts in their own hearts. Each reflection is confined to a single page and ends with a question - allowing the reader to reflect upon his or her own similar experiences. The reflection may be used as a daily meditation.
