Broadcast News Producing Bradley Schultz

Broadcast News Producing is one of the first comprehensive texts in its field. While until now most broadcast journalism textbooks have been geared toward students who want careers on-camera, **Broadcast News Producing** goes behind the camera to teach students the hows and whys of putting together compelling news programs for television, radio, and the Internet. This text lays the groundwork for good producing, giving the reader an insider's perspective on newsroom structure and the producer's role. It takes students step-by-step through the producing process, providing a guide to putting together a successful newscast.
