História da África e Afro-Brasileira - Em Busca de Nossa Raízes (Portuguese Edition) Elisabete Melo, Luciano Braga

Nesta obra, a fascinante história do continente africano e a trajetória dos vários grupos étnicos que migraram para o Brasil antes, durante e depois do processo de escravização são contadas por um jovem estudante. Ao retornar aos bancos escolares e deparar com novas práticas educativas, ele passa a desconstruir e construir conceitos, valorizando sua origem e sua autoestima. Num momento em que nosso país depara com temas polêmicos, como o Estatuto da Igualdade Racial e as cotas em universidades, a Coleção Consciência em Debate pretende discutir assuntos prementes que interessam não somente aos movimentos negros como a todos os brasileiros. Fundamental para educadores, pesquisadores, militantes e estudantes de todos os níveis de ensino. Coordenação de Vera Lúcia Benedito.
